

A flexible employer super solution

AMG Super offers a corporate super solution with the *flexibility* to meet the needs of all employees. With an AMG Corporate Super plan members can choose the level of involvement and flexibility they want. They can default into the AMG MySuper approved option or can take control of how their super is invested.

About AMG Super

AMG Super (AMG) is an APRA regulated and compliant retail superannuation platform. AMG has been specifically designed to provide an unrivaled level of investment flexibility, allowing members to more effectively manage their superannuation.

AMG Super was established in 2000 and is part of the DDH Graham Group, with funds under administration (FUA) of over \$9 billion.

More Information

For further information, please contact your Adviser directly or refer to the Product Disclosure Statement available on the AMG Super website at www.amgsuper.com.au

The offer to invest in AMG Super will be made in the relevant Product Disclosure Statement (PDS) which is available from www.amgsuper.com.au or by phoning 1300 264 264. Anyone wishing to invest in the fund will need to read the details and complete the application forms in the relevant PDS. Pension accounts would attract the same fees but the net result is a higher dollar amount as there is no taxation rebate benefit (please see the AMG Personal Super & Pension PDS for more information). A complete description of fees and charges is detailed in the relevant AMG Corporate Super PDS, including underlying investment fees charged by investment managers. Please note this is general advice only and should not be considered as personal investment advice. No consideration has been made to your current circumstances, attitude to risk and goals and objectives. You should seek financial, legal and taxation advice prior to undertaking any investments.
